## Extended Coverage Service Program

### Why Advantage Coverage?

#### Security:

While Komatsu equipment is built to withstand the harshest of environments, protecting your cash flows and controlling your owning and operating costs by selecting an Advantage Extended Coverage is the wise choice for your equipment purchase.

### Make It Your Advantage

#### Knowing What You Value:

When it's time to maintain or repair your Komatsu equipment, Advantage Coverage guarantees the use of genuine Komatsu parts installed by factory trained technicians using state of the art tools and technology all while providing greater service and quick turnaround. Whether it's the comprehensive coverage of parts, labor, travel mileage, or oil sampling kits provided throughout the life of the agreement, you can rely on Komatsu to understand the things you value.

### Peace of Mind

#### Take Advantage Now:

Purchasing Advantage Coverage now provides inflation protection on parts and labor and helps turn variable expenses into fixed costs.

## Extended Coverage Service Program

### Advantage Coverage Protection

#### Flexibility to Fit Your Needs

Three comprehensive offerings give you the choice of which coverage is right for you and your equipment:

#### Premier, Powertrain Plus, Powertrain

Additionally, you can choose from any combinations of months and hours—up to 5 years or 10,000 hours.

Your coverage can be financed at time of sale, or can be purchased at anytime in the first year of machine operation.

#### Convenience of Coverage

Your Advantage Coverage will be honored at any authorized Komatsu distributor; leaving one less thing for you to worry about.
