

Choose Your Advantage

Value

Since coverage stays with the machine, when it's time to trade-in or sell, the benefits of Advantage Coverage will transfer to the new owner anywhere in the U.S. or Canada.

This table is representative and is not intended to be a comprehensive list of components covered by The Advantage Program.

Make it Your Advantage

Knowing What You Value

When it's time to maintain or repair your Komatsu equipment, Advantage guarantees the use of genuine Komatsu parts installed by factory trained service technicians working to provide greater service and a quick turnaround. Whether it's the comprehensive coverage of parts, labor AND travel mileage, or the free oil sampling kits provided throughout the life of the agreement, you can rely on Komatsu to understand the things you value.

Peace of Mind

Komatsu equipment is built to withstand the harshest of environments. That's another reason why we do not impose stop loss policies or loss limits on claims. Purchasing Advantage coverage now basically provides inflation protection on parts and labor and helps to turn variable expenses into fixed costs. Take Advantage now —we'll have you covered!

KOMATSU

Advantage Coverage Protection

Flexibility to Fit Your Needs

Three comprehensive coverage offerings give you the choice of which is right for you and your equipment: Premier, Power Train Plus, and Power Train.

Additionally, you can choose from any combination of months and hours—up to five years or 10,000 hours.

Your coverage can be financed at the time of sale, or can be purchased at any time in the first year of machine operation.

Convenience of Coverage

Changes to the industry dictate the need to be mobile and flexible, especially in trying times. Your Advantage coverage will be honored at any Komatsu Distributor; leaving one less thing for you to worry about.
